

**NHK Culture Center presents**

## The 30th Japan Culture Festival in Antwerp

Date: Sat. 12th Nov., & Sun. 13th Nov.

About 70 people from Japan to Antwerp!

Since 1986, this festival is held every year in different parts of the world in order to exhibitions, demonstrations, stage performances with the help of Japanese culture presentation and perception by deepening the understanding between the countries.

The exhibitions, demonstrations, and stage performances allow infants through adults, both men and women. Experience of the Japanese culture and sharing the stage performances also promises great fun.

Don't miss it! ([Admission free](#))
